

Independent Auditor's Report.

Report on the Consolidated Financial Statements. We have audited the accompanying consolidated financial statements of Daimler AG, Stuttgart and its subsidiaries, which comprise the consolidated statement of income, the consolidated statement of comprehensive income/loss, the consolidated statement of financial position, the consolidated statement of cash flows, the consolidated statement of changes in equity and notes to the consolidated financial statements for the financial year from January 1 to December 31, 2013.

Executive Board's Responsibility for the Consolidated Financial Statements. The executive board of Daimler AG is responsible for the preparation of these consolidated financial statements. This responsibility includes preparing these consolidated financial statements in accordance with IFRSs as adopted by the EU, and the additional requirements of German commercial law pursuant to Section 315a (1) of the German Commercial Code [HGB], to give a true and fair view of the net assets, financial position and results of operations of the group in accordance with these requirements. The executive board is also responsible for the internal controls that the executive board determines are necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility. Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Section 317 HGB and the German generally accepted standards for the audit of financial statements promulgated by the German Institute of Public Auditors [IDW] as well as in supplementary compliance with International Standards on Auditing (ISA). Accordingly, we are required to comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The selection of audit procedures depends on the auditor's professional judgment. This includes the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In assessing those risks, the auditor considers the internal control system relevant to the entity's preparation of the consolidated financial statements that give a true and fair view. The aim of this is to plan and perform audit procedures that are appropriate in the given circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control system. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the executive board, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Audit Opinion. Pursuant to Section 322 (3) sentence 1 HGB, we state that our audit of the consolidated financial statements has not led to any reservations.

In our opinion, based on the findings of our audit, the consolidated financial statements comply in all material respects with IFRSs as adopted by the EU and the additional requirements of German commercial law pursuant to Section 315a (1) HGB and give a true and fair view of the net assets and financial position of the Group as at December 31, 2013 as well as the results of operations for the financial year then ended, in accordance with these requirements.

Report on the Combined Management Report. We have audited the accompanying group management report of Daimler AG, which is combined with the management report of the company for the financial year from January 1 to December 31, 2013. The executive board of Daimler AG is responsible for the preparation of this combined management report in compliance with the applicable requirements of German commercial law pursuant to Section 315a (1) HGB. We conducted our audit in accordance with Section 317 HGB and the German generally accepted standards for the audit of financial statements promulgated by the German Institute of Public Auditors [IDW]. Accordingly, we are required to plan and perform the audit of the combined management report to obtain reasonable assurance about whether the combined management report is consistent with the consolidated financial statements and the audit findings, and as a whole provides a suitable view of the Group's position and suitably presents the opportunities and risks of future development.

Pursuant to Section 322 (3) sentence 1 HGB, we state that our audit of the combined management report has not led to any reservations.

In our opinion, based on the findings of our audit of the consolidated financial statements and combined management report, the combined management report is consistent with the consolidated financial statements, and as a whole provides a suitable view of the Group's position and suitably presents the opportunities and risks of future development.
